445 - Krummbachtal

Beautiful tour into the Krummbach valley, for young and old in untouched nature.

From the starting point of the music pavilion, the tour leads past the Isskogelbahn to the Innertal district. It goes slightly uphill towards Krummbachtal. On a gravel road further into the valley you have the option of either cycling up to the Prölleralm or straight ahead to the Krummbachrast. Route character: asphalt, gravel road, watch out for hikers, grazing cattle and agricultural vehicles, moderate inclines.
