

## Wildgerlostal Seestüberl - winter hiking trail

From the Isskogelbahn valley station, walk along the road along the Gerlosbach to the toboggan run. From here a level footpath branches off to the right. Following this you will reach the Durlassboden reservoir dam after about 45 minutes. After crossing the main road, you can either climb the steps to the top of the dam or follow the narrow access road. A wonderful view and the cozy restaurant “Seestüberl” await you.
