1.5 hour circular walk along the border rivers of Zell am Ziller. The leisurely hike starts in the centre of Zell am Ziller towards the Ziller bridge. Along the right side of the river bank you can go downriver to the underpass by the railway bridge. Continue straight on until the confluence of the Gerlosbach. After a few minutes‘ walk, after crossing the bridge, you reach the valley station of the Rosenalmbahn cable car. Here, you follow the signposting to the Krauspromenade that leads through a short piece of forest before reaching a small settlement via a narrow asphalt path. Turn right at the crossroads and go through the underpass of the Zillertal highway.
