Description

A beautiful hike from the alpine village Königsleiten into the neighbouring Salzach valley, where the state's main river, the "Salzach", also originates.

Take the Königsleiten village cable car up to the mountain station. From there, you start towards the first destination, the 2,254 m high **Müllachgeier**. After a short break, continue via the Mottland-Grundalm into the Salzach valley and from there along the spring trail back to the **Salzach hut** at 1,650 m above sea level, where you can relax and enjoy refreshments. From there, return back to Königsleiten.

Refreshment option: Salzach hut
