## Description

### Cozy walk to the Klammer's Jausenhütte and Wimmertalalm. Relaxed trail for the whole family in untouched mountain landscape

Opposite the Hotel Krölller (1,204 m) in Gerlos-Gmünd, hiking trail no. 6 starts in the Wimmertal with the lush green mountain pastures and the rushing Wimmerbach along the foothpath. After a short, somewhat steep ascent you will pass the snack station Klammer's Jausenhütte (1.365m) and then finally, after half an hour of walking, you will reach the magnificently located at Wimmertalalm (1.375m). Fully restored, a further 300 altitude metres can then be tackled, even by less experienced hikers without any problems.

**Tip:** Experienced mountain climbers can also ascend the Wimmerscharte (2.500m)
